

REMARKS/ARGUMENTS

Applicant hereby petitions the Supervisory Patent Examiner for acceptance of color drawings in accordance with MPEP §608.02. Color drawings are the only practical medium by which to disclose the subject matter sought to be patented. Color is necessary because there is no other practical way to disclose the subject matter, either by means of reference to structure, or to spatial location.

Enclosed with this petition are the required 3 copies of the color drawings. The petition fee may be charged to Deposit Account, Number: 12-0115, as noted in the Fee Transmittal. The Commissioner is hereby authorized to charge \$130.00 to Deposit Account 12-0115. The Commissioner is hereby authorized to charge any additional fees which may be required for this amendment and/or petition, or credit any overpayment to Deposit Account No. 12-00115.

In the specification, the section titled BRIEF DESCRIPTION OF DRAWINGS AND SEQUENCE LISTINGS has been amended to include a new paragraph in accordance with MPEP §608.02.

Applicant respectfully requests that the above amendment be entered upon granting of the Petition to include color drawings.

Respectfully Submitted,

Patrick D. Archibald
